Company Data

Company Name: General Network Inc

CAGE Code: 14KX9

UEI Code: Q45TP92LFCB5

DUNS: 01 012 0401

Company Overview

General Network Inc New England based low-voltage contractor specializing in the design, installation, and optimization of structured cabling systems, fiber optic networks, CCTV systems, and commercial audio/video infrastructure, security systems and doors access.

Core Competencies

- Structured cabling (Cat6/Cat6A/Cat7)
- Fiber optic installation, fusion splicing, SC/LC.
- MDF/IDF buildouts, racks, testing & labeling
- CCTV & surveillance infrastructure
- Conference room AV, displays & projector systems
- Wi-Fi optimization & IT infrastructure upgrades

Key Differentiators

- **End-to-End Low-Voltage Expertise**
From structured cabling to fiber and AV systems, we provide a complete solution under one contractor.
- **Performance-Focused Installations**
Prioritize network performance, not just installation—ensuring systems operate reliably under real-world conditions.
- **Clean, Professional Workmanship**
Organized racks, labeled cabling, and code-compliant installations are standard on every project.
- **Problem-Solving Specialists**
Frequently hired to troubleshoot and correct failed or underperforming network installations.
- **Flexible Project Delivery**
Capable of working in active environments while keeping operations running with minimal disruption.

Commodity codes

NAICS

238210 – Low Voltage Wiring Installations

423610 – Security systems equipment.

UNSPSC

46-17-1610 Security cameras

26-12-1600 Electrical cable and accessories

NIGP

962-18, 838-28 Cable Construction, Installation and Maintenance Cat5e/Cat6.

920-37 Networking Services (Including Installation, Security, Maintenance of LAN/WAN & Cabling

Past Performance

- **SeekNet USA Sharenet Corporation** – Multi site retail network, CCTV & AV installations.
- **Nationwide Auto Recycling** – Structured cabling, racks & network optimization, CCTV and fiber optic.
- **Eliot Health & Rehabilitation** – Fiber deployments, termination & testing.
- **Werfen Bio** – Network cleanup and infrastructure optimization.
- **Newport City, Rhode Island** – Structured cabling & network optimization, CCTV & cable maintenance.
